

## 36 Hour Sale - 20% off Gazetteer Writer's Manual!

If you're interested in world-building how-to, the **Gazetteer Writer's Manual is on sale right now for 36 hours**. This is a celebration of my world-building community at G+ passing 2000 members, and I wanted to extend the offer to gamers and writers who visit the World Building Academy as well. You can take advantage of the sale by entering **discount code 1010SALE** upon checkout (code's case sensitive). Discount is good til Friday midnight (Eastern time).

### **Possa, Amazon.com reviewer:**

*"I was very surprised with this book. It does gather a lot of material in a single compact reference book with step by step outline to build worlds. If you are seriously considering doing your own worldbuilding - this book is an amazing tool."*

If you're on G+, you can find the World Building community [at this link](#).
