

## Vote and Let Us Know Your Favorite Titles!

The title suggestion portion of our [Gazetteer "name that book" contest](#) is now over. Now it's voting time!

[Please visit this link](#) and VOTE on what your favorites are. By doing so you will also help some finalist win some cool swag. :)

Thanks, also, to everyone who has participated with title suggestions. We couldn't use them all but many sound like gaming books we should be writing! You all are brilliant.
